

Dear President,
Dear Member Federation, and friends of mountaineering,

This newsletter includes the invitation to the **2019 General Assembly** scheduled to be held on **November 3, 2019 in Larnaca/Cyprus, Sentido Sandy Beach Hotel**. Attached please find the **calling notice** and a preliminary agenda.

Further, we would like to inform you that in future the minutes of each penultimate presidium meeting can be viewed in the members' area of Google drive.

We would also like to thank you for the fact that the majority of the membership fees were received in time. Please keep in mind, however, that the membership fees are total amounts due, and in the few cases where the amount received was reduced due to transfer fees, the respective amount will be additionally charged with the 2020 membership fee.

As there were no comments or objections by the member federations, we submitted the financial report 2018, as in the version sent to you on May 7, 2019 to the competent Belgian authority in June.

On this occasion, we would like to refer once again to our E-mail of June 9, 2019 asking for your federation's contribution to our initiative to establish a mountain oriented Intergroup in European Parliament (concerns EU member states only).

Concerning the GA 2020, we have already received an offer from the Czech Mountaineering Association CHS. They propose to hold the GA in the Czech Republic in May 2020, which would be very advantageous with regard to the submission and approval of our financial report for the Belgian authorities.

Should you have any questions or comments, please do not hesitate to contact us.

With best regards,
Roland Stierle
on behalf of the EUMA Presidium
