### 3. Events

The following events are scheduled to take place in November 2018; **please save the dates:**

- **9 November 2018** in Brussels: "Mountains dimension of cooperation"; invitations and further information will be sent directly by the EU Commission; this will be the first opportunity to present EUMA at and to EU institutions.

- **General Assembly 2018 - Invitation**

Our **General Assembly** will take place on **10 November 2018** in Brussels at the EOC Building (European Olympic Committees Building), Avenue de Cortenbergh 71, B-1000 Brussels.

Motions for the General Assembly should be submitted to the board two months before the announced date in writing, i.e. by 10 September 2018. A draft agenda will be sent out mid of September.

The final agenda and the motions will be forwarded to the member federations by 10 October 2018.

A registration form and further information on hotel booking and directions will be sent in due time.

**4. Data Protection**

The EUMA, too, is required to follow the new General Data Protection Regulation which became enforceable beginning 25 May 2018. Therefore, we need your consent for sending information to your federation by E-Mail also in future. Should you disagree, please inform us accordingly by 15 August 2018.

**5. General Information**

We would like to thank all those member federations who already have sent back the questionnaire. If you have not completed this form so far, please remember to do so within the next weeks. We also look forward to receiving offers regarding the EUMA office as of 2019.

The next EUMA board meeting will be held at the beginning of September. We hope that the registration which is now being reviewed by the Department of Justice at the Belgian Federal Government will be finalized by that date.

Best regards,

Roland Stierle for the EUMA board
